

The Federation of Motor Sports Clubs of India

## About FMSCI

We, The Federation of Motor Sports Clubs of India (FMSCI), headquartered in Chennai, are the exclusive National Sports Federation authorized by the Government of India for the governance and promotion of motorsports in India. We are also the FMN (National Motorcycle Federation) for India of the Federation Internationale de Motocyclisme (FIM, Geneva) & ASN (National Sporting Authority) of the Federation Internationale de l'Automobile (FIA) – the international federations controlling and promoting 2 and 4 wheeler motorsports respectively. The FMSCI has more than 120 member clubs across the country, who conduct motorsporting events under the rules and regulations of the FMSCI and under the supervision of the FMSCI officials.

## All India National Championship events conducted every year

- 1) National Motorcycle Racing Championship for 2 wheelers
- 2) National Supercross Championship for 2 wheelers
- 3) Gulf Dirt Track National Racing Championship for 2 wheelers
- 4) National Drag Racing Championship for 2 & 4 wheelers
- 5) National Autocross Championship for 4 wheelers
- 6) National TSD Rally Championship for 2 & 4 wheelers
- 7) Indian National Rally Championship for 4 wheelers
- 8) National Racing Championship for 4 wheelers
- 9) National Karting Championship

## What is Homologation

To participate in any FMSCI National & National Championship events, the manufacturer should have homologated their vehicles with the FMSCI and only these vehicles will be allowed to participate.

Homologation is the process by which an manufacturer fills in details of the vehicle to be homologated in the form promulgated by the FMSCI for the purpose and submits the same to the FMSCI along with necessary enclosures for verification and certification. The form contains technical details of the vehicle to be homologated.

The FMSCI on going through the forms would certify its correctness and then inform that the said vehicle is homologated and may be used in motorsporting competitions / record attempts. The FMSCI Scrutineers at an event will check the various measurements to ensure that the said vehicle is as per the homologation form submitted by the manufacturer and conforms to the technical regulations of the FMSCI. This is basically done to ensure a level playing field.
