Effective : Immediate

Page : 1/1

2011 FMSCI General Prescription for Stage Rallies (4W)

Open Class Cup

Further to Bulletin # GPRALLY-1/2011 dated March 23, 2011, please note the change in the cc classification of the Open Class Cup

1. **Overall** – Open to all cars up to 3600 cc including multiplication factor if turbocharged of 1.5 for Diesel and 1.7 for Petrol
2. **Diesel** –
 1. Upto 2250 cc : Diesel Cars up to 1500 cc engine capacity plus the multiplication factor of 1.5
 2. 2251 – 3600 cc : Diesel cars above 1500 cc engine capacity plus the multiplication factor of 1.5
 3. Additionally, the Stewards can decide on additional sub classes based on the entries actually received for a round.
