

FEDERATION INTERNATIONALE DE L'AUTOMOBILE

WOMEN & MOTOR SPORT COMMISSION (WMC)

MANUFACTURER'S OFFER

Manufacturer:

Volkswagen Motorsport

Name of the Programme:

"FIA WMC - VW Scirocco R-Cup"

Offer:

Organization and provision of cars for an Evaluation Day on 10 November 2011 in Oschersleben (D).

After that day, the decision to offer a drive for the season in the 2012 Scirocco R-Cup, in either Junior Cup or Pro Cup, will be taken by VW in collaboration with the WMC.

Deadline:

List of drivers matching the criteria set out below to be sent to VW Motorsport by 15.10.2011.

Requisite Criteria:

Driver's Profile

- 1) Year of birth: 1987-1995
 - 2) Nationalities: All nationalities
 - 3) Competition history: experience in Karting or motor sport*
- *Please fill in the attached questionnaire.

Conditions of Acceptance:

Successful participation in an evaluation course which qualifies the participant to take part in the Volkswagen Scirocco R-Cup*.

** See the 2011 sporting regulations.*

PROGRAMME DETAILS

Selection Policy:

- A call for candidatures to the ASNs of all the countries affiliated around the world is launched on 23 September.
- Close of entries on 10 October 2011.
- Publication of the Selected drivers' list on 20 October at the latest.
- Number of participants: 10 to 12 maximum. If there are more candidates than available places, it will be up to the WMC to draw up the list of the selected drivers.

Financing:

Travel costs / qualifying:

- The ASN must pay the travel costs of its driver or drivers selected by VW to take part in the Evaluation Day.

If it is decided to offer a drive in the Scirocco R-Cup in 2012:

- **VW Motorsport** will pay the registration costs and will provide the car for either the Junior Cup or the Pro Cup*.

** See the sporting regulations for the list of services.*

** See the sporting regulations for the conditions of repair and adjustment/tuning work on the vehicle.*

- **FIA – WMC** will allocate a 5'000 euros fee to the selected driver for the season.

Note: The costs related to the car insurance have to be covered by the driver.

Communication:

- The WMC will publish an article in the Moto Motion magazine to highlight the efforts of the VW Group to promote women in motor sport.
- The manufacturer VW undertakes to affix the logo of the WMC on the car, plus the logo of any potential sponsor brought in by the WMC on the driver's overalls and in any place on the car. These logos will be associated with all of the driver's promotion campaigns organised by VW.
- **Assistance with the driver's training / career:**
The VW Group undertakes to canvass the makes of its Group in order to help this driver to compete in an international series or an FIA Championship if she has been classified in the top 3 places on the overall classification in the Scirocco R-Cup Championship.
